Under the title of the "Republic of Mexico in 1858" a work was published in New York, written in English, by Don Lorenzo Gasto. This work consists of one book containing 200 pages, and a map of the Republic, besides mentioning the capital of states, counties, ranches, mining districts, etc., the number of inhabitants in the principal cities and towns, the ancient history of the country with interesting episodes and incidents that present a great deal of interest to the reader. From the Monitor Republicano Bibliography, City of Mexico.

The Central Hotel.

of San Antonio, being in the very center of the city, between the two depots, with street in front running to and from all public places, besides being the most convenient to business and the oldest hotel, and the present management is the cheapest first-class hotel in the city, at \$1 to \$1.50 per day. English, French, Spanish, German and Russian spoken. It is the office of stage and hacks to Houston, Pleasanton, Floresville, Helena, St. Hedwig, Leander, Rutherford Springs, Stockdale, Leon Springs, Boerne, Comfort, Fenton, Plant, Kerrville, Fredericksburg and other points north and south.

Piles.

Piles are frequently preceded by a sense of weight in the back, and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A peculiar line pervades, particularly at night after getting warm in bed, is a very common attendant. Blind bleeding of the Piles yield at once to the application of Dr. Rosanock's Pile Remedy, which acts directly upon the parts affected, absorbing the Tumors, and the intense itching, and effecting a permanent cure where all other remedies have failed. Price 50 cents. Sold by C. Schmale, A. Dreiss and L. Orzelski.

MUSICAL AND DRAMATIC DOGS.

The Cincinnati Dramatic festival begins on the 30th of this month.

Miss Mary Anderson opens at the London Lyceum theatre September 1.

Miss Lily Langtry plays her farewell engagement in America at the Chestnut street opera house in May.

Kate Claxton was lying ill at Muncie, Ind., last week, suffering from a severe and threatening attack of erysipelas.

Salvini and Miss Clara Morris will appear together in the Outlaw and Othello in New York, beginning on the 23d.

The regular season of the Union Square theatre, which ended on April 7, was the 12th of that exceedingly popular and prosperous house.

Colonel J. H. Haverley is in New York City lately engaged in completing arrangements for the tour of his two Silver King companies next summer.

The scene being completed for the first act of the "Squire," to be produced by Augustin Daly's company at the Walnut street theatre, represents the courtyard of a baronial estate.

The scenery and properties of Booth's theatre have been purchased by Messrs. Hyde and Behman for their new theatre, to be built on the site of the old Aqueduct, New York.

Mr. Bartley Campbell will leave for Europe on the 24th instant and will visit Germany, with the view of making arrangements there for the production of his plays.

Signor Salvini sails for Europe, aboard the Labrador, on May 2, and has no intention of ever returning to America. He takes about \$60,000 as a practical and sweet remembrance of his American trip.

The new "Stabat Mater" of Anton Dvorak, the Bohemian composer lately performed by the London Musical society, seems to have made a genuine impression. It is said to be full of originality and of special beauty and power.

It is said that Verdi is busily at work on his new opera "Iago," the libretto of which is founded on Shakespeare's "Othello" by Arrigo Boito, the poet and composer. The new work is to be produced next winter at La Scala, Milan.

Madame Modjeska will play the part of Imogene next year. Next year she says she will leave the English stage. She cannot stand playing every night. She wants to have some time to do something else than playing. She goes soon to California. Next year her husband will be her manager.

The managers of the Madison Square theatre make known that the play of The Professor will be laid aside after the present season is ended. Mr. W. H. Gillette, its author, will endeavor to act Elton Scott in Young Mrs. Winthrop, which play is to be taken on a provincial tour.

Mme. Nilsson, who will leave New York for Europe on the 18th instant, announces a final concert at Steinway Hall to-morrow evening, the 16th, with the assistance of an orchestra conducted by Mr. Theodore Thomas, Miss Glenn, Signor Del Puente, Mr. Bjorksten, and the Mendelssohn Quartet club, of Boston.

While witnessing a performance of The Lights of London at Newcastle-on-Tyne recently, a young woman was taken with such a fit of laughing as to dislocate her jaw. An exchange says that this would not have occurred while looking on any of the Lights of London companies on this side of the water.

It is said that during a performance of "One Woman's Life" by the Berlin Welby company, at a small town in New York, a R. N. Hudson arose and denounced an actor on the stage as an evil man. The inference is that he became insane through the bad acting. She is now in the lunatic asylum.

Mr. Frank C. Bangs, the popular actor, who distinguished himself recently in "The Corsican Brothers," has been obliged to give up work temporarily, and is now resting at Lakewood, N. J. On account of his poor health Mr. Bangs could not go to Toronto with Mr. Seton's company. He will, however, rejoin this company, which is still performing in "The Corsican Brothers," in two weeks.

Three or four new theatres are contemplated in New York. Besides the Rankins' new house, Ed Stokes wants a theatre, Josh Hart is negotiating for a site, and Hyde and Behman, the Brooklyn managers, have already purchased one. There is another movement on foot to organize a stock company, with a capital of a quarter of a million dollars, to build a theatre in upper Broadway.

Mr. Bartley, of San Francisco, is writing a play. According to Mr. Barnes, of the Call, "it is thrilling and bewildering. A newspaper man falls in love with a female composer. She scorns him, and the curtain falls on the second act as she brains him with a brass column rule. I believe the author intends to close the piece with the suicide of the female, who swallows a cup of molten type metal, and expires in the arms of the proof-reader, for whom she entertained an unrequited affection."

Cause of Failure.

Want of confidence accounts for half of the business failures of day. C. Schmale, A. Dreiss and L. Orzelski, druggists, are not liable to fail for the want of confidence in Dr. Rosanock's Cough and Lung Syrup, for they give away a bottle free to all who are suffering with Coughs, Colds, Asthma, Consumption and all affections of the Throat and Lungs.

Artistic Improvement.

Mr. C. H. Mueller had added two beautiful show windows to his store on Commerce street. In one is shown very fine water-color paintings in the other a selection of artists' materials. His stock of artists' and painters' materials is complete, and embracing material for oil and water color painting, lead pencil drawing, crayon and pastel painting, porcelain and china decoration, chromo photography, wax flowers, decorative art, coach painting, Artists' fine brushes, mathematical instruments, oil and water color paints, tapers, Rographurs and chromo apparatus anything yet seen in Texas. Students and lovers of art in its various types should see this elegant stock. He has the largest and best selected stock of picture frames and mouldings in the city. He has been brought to San Antonio, when he offers at extremely low figures. He has the sole agency for the well known and most durable "Asbestos" paints ready for use. The order and durability of these paints are admitted by those who are authorities in such matters to be the highest grade in the market. His stock of oil, paint and wall paper is complete, and his supply of window glass is complete, and description is very large. By calling at Commerce street, the public can be pleased in any of the lines mentioned as well as in the low prices, which are a rule of the house.

A Common-sense Remedy. SALICYLICA.

No More Rheumatism, Gout or Neuralgia.
Immediate Relief Warranted.
Permanent Cure Guaranteed.

The only dissolver of the poisonous uric acid which exists in the blood of Rheumatic and Gouty patients.
SALICYLICA is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed balms only treat locally the effects.

It has been commended by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments and acetone lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid.

SALICYLICA works with marvellous effect on this acid and so removes the disorder. It is now exclusively used by all the celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent. cures in three days.

REMEMBER

that SALICYLICA is a certain cure for RHEUMATISM, GOUT and NEURALGIA. The most intense pains are subdued almost instantly.
